**Madam/Sir,**

**Sub:** Approval for installing ..... kWp solar RTPV system.

**Ref:** 1. Application Reg. No..... Dtd: .....  
2. Technical details submission letter No.....Dtd.

Approval is herewith accorded, after verifying the technical details furnished by you, for installing Solar RTPV system of .....kWp on your rooftop with the following conditions:

1. Bi-directional meter shall be purchased from CESC, Mysore approved vendors and to be fixed at net-metering point.
2. The existing metering, wiring will be changed to solar power generation side in presence of AEE/EE, MT Division, CESC, Mysore to measure solar generation.
3. You are requested to submit the following documents after completion of Solar RTPV system installation:

- Facilitation fee of Rs.\_\_\_\_\_ shall be paid and enclose the copy of receipt.
- Test Certificate of bi-directional meter from MT division, CESC, Mysore.
- Inspection Report by AEE(Below 10 kWp)/ CEI, GoK (For capacity above 10kWp)
- Copy of Power Purchase Agreement on Rs.200/- stamp paper with CESC, Mysore
- Work completion report from system Installer as per Format-6A
- Facing sheet of Bank pass book containing details of Name of the Bank, Type of account, Account No, Name of the Branch, IFSC code etc.

This approval is valid for 180 days from the date of this letter and the SRTPV system is to be commissioned within this period, failing which the approval will be treated as cancelled.

Yours faithfully,

**AEE/Executive Engineer(Ele)  
O&M sub-div/ division, CESC**
